

UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK

SECURITIES INVESTOR PROTECTION
CORPORATION,

Plaintiff,

v.

BERNARD L. MADOFF INVESTMENT
SECURITIES LLC,

Defendant.

In re:

BERNARD L. MADOFF,

Debtor.

Adv. Pro. No. 08-01789 (BRL)

SIPA Liquidation

(Substantively Consolidated)

**ORDER REQUESTING ASSISTANCE OF THE QUEEN’S BENCH DIVISION OF THE
HIGH COURT TO ORDER DISCLOSURE BY DEUTSCHE BANK AG LONDON**

This Court, upon the showing of good cause and evidence submitted in the application of Irving H. Picard, Esq. (the “Trustee”), as trustee for the liquidation of the business of Bernard L. Madoff Investment Securities LLC (“BLMIS”) under the Securities Investor Protection Act, 15 U.S.C. §§ 78aaa, *et seq.* (“SIPA”), and as trustee for the estate of Bernard L. Madoff (“Madoff”), finds as follows and requests the assistance of the Queen’s Bench Division of the High Court to enter an Order of the High Court for the delivery of specific documents, subject to the following terms and conditions:

1. The Court finds that the specific documents listed in Schedule I are likely to be in the possession, custody or control of Deutsche Bank AG - London and that such documents are likely to include or lead to the discovery of material evidence relevant to the Trustee’s investigation of the fraud perpetrated by BLMIS, consistent with the Trustee’s statutory investigatory authority as set forth in SIPA.

2. The Court requests an order compelling the production of these documents to the Queen's Bench Division of the High Court for transmittal to this Court.

Dated: New York, New York
August 5, 2010

C. HOW DOCUMENTS ARE TO BE PRODUCED

1. All documents and their metadata portrayed on electronic or electro-magnetic media shall be produced in the form or forms in which the documents are stored in the ordinary course of

business, retaining all reasonably accessible metadata, but so as to be in a reasonably usable form enabling, through reasonably modest effort, the requesting party to fairly, accurately and completely access, search, and display and comprehend the documents' contents.

2. All documents and their metadata that have been fairly and accurately portrayed within a commercially available document review database including but not limited to litigation support databases shall be produced within that database or in a format that can be directly loaded into such database. Even after producing documents in the document review database format, the documents' originals or their fair and accurate representations shall be preserved as they exist in the ordinary course of business.

3. Documents and their metadata portrayed in the ordinary course of business within commercial, off-the-shelf e-mail systems including Microsoft Exchange™, Lotus Notes™ or IBM Groupwise™ shall be produced in their native format, in alternative readily accessible industry-standard formats that fairly, accurately and completely represent such documents.

4. Documents and their metadata portrayed in structured electronic databases or files (excluding e-mail) shall be produced in a format that enables programmatic management of those documents and their importation into a database. The documents must be accompanied with reasonably detailed, clear and focused documentation explaining the documents' content and format including but not limited to a data dictionary and data diagrams. Some acceptable formats include: (a) XML format file(s) but only if provided with definitive file(s), table(s) and field level schemas; (b) Microsoft SQL database(s) but only if provided with definitive file(s), table(s) and field level schemas; (c) Access database(s) but only if provided with definitive file(s), table(s), and fields level schemas; (d) fixed or variable length ASCII delimited files but only if provided with definitive file(s), tables(s) and field level schemas.

5. Documents and their metadata portrayed in unstructured files generated by commercially available software system excluding e-mails and structured electronic databases such as word processing, spreadsheet, image files, text files shall produced as those files were stored in the ordinary course of business.

6. Documents and their metadata portrayed on paper or in an industry-standard image format shall be produced in image format (200 – 300 bpi in group 3 TIF format or in TIF format). In addition, the relationships among the images shall be described with respect to the how the images relate to one another (as to document and attachment boundaries, folder boundaries, and other groupings) using industry-standard or other reasonably usable electronic data load files which shall be accompanied with reasonably detailed, clear and focused documentation explaining the load files' content. In addition, the text of the documents generated at the time the document or subsequently generated through industry-standard Optical Character Recognition (OCR) technology shall be produced in a format that reasonably usable. In addition, all available descriptions of the documents' properties shall be produced in a reasonably accessible data description file along with reasonably detailed, clear and focused documentation explaining such file's contents.
